Cerf Island Resort, Seychelles

...a small resort hideaway in the heart of the Indian Ocean

an introduction

Nestled into the hillside and bordered by a marine nature reserve, Cerf Island Resort is a luxurious retreat for today's discerning traveller.

Walking between the lush coconut groves reveals an abundance of exotic shrubs, giant land tortoise and flying foxes in a perpetual natural habitat.

a luxurious retreat

A short boat-ride across the crystal clear waters from Mahé and you arrive at Cerf Island, the romantic home of your authentic Creole experience.

understated elegance

The understated elegance of the private villas convey a harmonious balance between modern day comforts and the natural surrounds of a tropical paradise.

a taste of paradise

Dining is certainly an unforgettable affair. The restaurant perched on a cliff top with unimpeded sea views in a heavenly setting.

A wide choice of fine traditional Creole and International cuisine, a treasure of fresh seafood and local natural produce.

an oasis of dreams

The alluring emptiness of the white sand beaches - a personal oasis in nature's tropical playground.

Relax and listen to the sound of the breeze in the trees as you sip cocktail's at the Bar.

The infinity edge Pool and Lounge, the perfect relaxation.

The marine park waters around the Island are a diving dreamland of abundant tropical sea-life.

Watersports provide the intrepid with the ideal way to explore the island. Stroll amongst tropical vegetation to the marine reserve viewpoint to experience the benign mix of flora and fauna.

a romantic surrender

The real treasure is the special brand of romance that Cerf Island delivers against the backdrop of unparalleled natural beauty, white sand beaches and sparkling blue waters.

The perfect destination for a wedding, honeymoon, or anniversary; almost seems to have been created for that indescribable “quiet togetherness”

Cherish a lifetime of happy memories...

...come and experience it for yourself
